Re: OSC Appointment for Removal Action at 1655/1675 Watkins Road

Dear Mr. Guist:

On behalf of Garrison Southfield Park LLC, this letter designates you as the on-scene coordinator (OSC) to coordinate and direct the non-time critical removal action at 1655 and 1675 Watkins Road, Columbus, Ohio 43207. You are authorized to delegate some of your duties, including field activities at the Facility, to other persons under your oversight as appropriate and cost-effective. Your designation becomes effective after the action memorandum for the removal action has been finalized. Until that time, Ned Baker of Ensafe Inc. will continue to serve as the OSC for this action.

Very truly yours,

Daniel Hahn  
Vice President
